

**Institute for Nuclear Research and Nuclear Energy**

**BEO Centre of Excellence**

**BEOBAL FP6 project**

**Environmental monitoring**

**training seminar**

**“Environmental monitoring  
and complex safety”**

**30 Mar 2006,  
10h00, Hall 300,  
INRNE**

**Pavol Vojtyla  
CERN, Geneva,  
Switzerland**

**Radiological environmental protection at CERN**

**Sevdalina Topalova  
NCRRP, Sofia,  
Bulgaria**

**National action plan “Environment – Health”**

**Kiril Slavov  
NIMH, Sofia,  
Bulgaria**

**Meteorological Aspects of Nuclear Accident and  
Bulgarian Emergency Warning System**

**31 Mar 2006,  
10h00, Hall 300  
Alba Zanini  
INFN, Torino, Italy**

**Neutron dosimetry by passive detectors: Environment and  
Medical Applications.**

**Response of Photosynthetic organisms to radiation  
for space application**

**BEO Centre of Excellence and BEO Integrated Environmental  
Centre environmental monitoring activities. Round discussion.**

**Environmental monitoring seminar is organised  
in the framework of INRNE BEOBAL FP6  
EC project INCO-CT-2005-016663**
