

Institute for Nuclear Research and Nuclear Energy

BEO Centre of Excellence

BEOBAL FP6 project

**Solar particle phenomena
training seminar**

Prof. D.Sc. Karel Kudela

Dep. of Space Physics, IEP SAS, SR, Kosice

**“Solar particle phenomena into
magnetosphere”**

19 Feb 2007,
14h00, Hall 300,
INRNE

Magnetospheric optics for Cosmic Rays

CR transmissivity in variable magnetosphere

15 Feb 2006,
10h00, Hall 300
INRNE

Solar particle penetration into magnetosphere

Direct effects of cosmic rays on materials

For information:
